

In association with Adelaide University Football Club, Simon Bartold from Bartold Biomechanics Clinical is presenting a very exclusive offer to all players, family and friends.

Simon Bartold has 30 years experience in the world of Sports Medicine, including 4 Olympic Games, consultant positions to the Adelaide 36's, The Australian Cricket Academy, the England and Wales Cricket Academy, and currently, The Port Power in the AFL.

Recognised as one of Australia's top biomechanics and podiatry experts, Simon now brings this expertise to the Blacks!

If you have a lower limb or foot injury, you can visit Bartold Biomechanics Clinical at:

61 The Parade, Norwood,

83639140

If you let us know you are a registered player with the Blacks, family of supporter, we offer the following benefit, exclusive to your footy club.

If you have private health cover with extras benefits for podiatry, we will, across the board charge you a medical rebate fee only..i.e., there will be no gap for you to cover.

If you do not have extras medical insurance, we will charge you at 50% of our standard rate. Simple. Got a crook foot, sore shins, knee pain.. give us a call, but you must identify yourself as an AUFC person!
